February 2020

Weekly Services

Sunday morning Holy Communion services are currently being mostly led by Reverends David Jasper, Ken Bromage or Paul Hancock using Common Worship.

Each Second Sunday of the month is lay led by one or more of the Second Sunday team.

On Wednesday morning Reverend Paul Hancock presides using Common Worship except the second Wednesday of each month when the Book of Common Prayer is used.

Notices

Church Hall

There has an intermittent electrical fault over the last few months which the electrician is finding tricky to pinpoint. If, when you use the hall and find something is not working or it has not been left clean and tidy, please report it as soon as possible preferably by email: stjohnshall2@gmail.com.

To eliminate the cost of cutting keys, a key safe will shortly be fitted by the attic and committee room doors. As with the entrance code, if the number is given to you as a hall user, please remember not to share it with anyone.

Coffee, Chat and Companionship

To mark the start of lent there will be a fish and chips lunch on 26th February at 12pm. Please speak to Ann or Pauline for details.

Flowers for the Altar

The list is on the notice board at the back of the church for those who would like to provide and arrange the weekly flowers for the altar. Many people choose to provide altar flowers to commemorate an anniversary. If you would like to participate in this, please write your name against the weeks you would like to do.

We are all very grateful to those who provide the flowers for the altar weekly and the flowers for the windows for festivals. Your contribution is very much appreciated.

If anyone would like to do a window in the Church for the festivals of Easter, Harvest and Christmas or if you have any questions about flowers for the altar please speak to Maggie Davey.

Church Cleaning

The rota for this year is on the notice board. If you are able to help keep St John's clean and tidy, please add your name to the rota for whichever weeks are convenient for you. We would particularly appreciate festival times covered as there is obviously more use during those periods.
